A HISTORY *of* MOVING DREAMS *forward*

RELIABILITY

60
YEARS

of experience building everything from golf cars to snowmobiles, making Yamaha one of the most recognized and respected brands in the world.

With Yamaha, every challenge is an opportunity for adventure. Snowmobiles, generators, scooters, ATVs, personal watercraft vehicles and more.

With such a long history of success in a variety of industries, you can trust Yamaha to continue innovating with new technology that creates unforgettable moments in the lives of our customers.

1975

YG-292 MODEL GOLF CAR
Yamaha's first golf car. This powerful unit was compact and lightweight, and served as the bedrock for more things to come.

1985

G-2 MODEL GOLF CAR

The first golf car to feature a 4-stroke, overhead valve engine and an injection molded, plastic front and rear body.

1996

G-19 MODEL GOLF CAR

Our first 48-volt electric golf car featured innovative roll-away safety protection and regenerative braking.

2006

YDR PERSONAL TRANSPORTATION VEHICLE

The YDR was introduced to the world with striking new features designed to radically change people's perception of the golf car.

2016

YDR² GOLF CAR

The YDR² lineup brought forward all the best features from The Drive but also introduced QuietTech EFI – a gas car that's almost as quiet as an electric. Additionally, QuietTech EFI included the first Independent Rear Suspension ever to be found on a golf car.

The best car
JUST GOT BETTER

At Yamaha, we're innovating with the modern driver in mind, and we've created something completely new — the YDR². With newly designed LED headlights, and an automotive style dash with standard USB ports, we've thought of everything you could want or need on the go.

All the features
A MODERN DRIVER
could WANT

the All New
YDR²

With new body lines, exciting new colors, and significant performance improvements, the all new YDR² looks and feels better than any Personal Transportation Vehicle we've ever built.

TWO USB CONNECTIONS (STANDARD)

To help drivers and passengers maintain power and stay charged, built right into the dash.

FRONT SUSPENSION

Fully independent front suspension for maximum comfort.

MODERN COLORS

I = In-molded Color
M = Metallic Paint

AUTOMOTIVE STYLE DASH

Our newly designed dash has large, dual-sized cup holders, room for more items like snacks and mobile devices, and comes standard with two USB ports.

STORAGE BIN WITH NO-SLIP MAT

34% larger to keep more valuables in place.

CLIMAGUARD™ TOP

Features a double rain channel, clog-proof downspouts, and still has the widest, longest coverage area in the industry.

OR

REAR FOLD-DOWN SEAT

When you need to carry cargo instead of people, the rear-facing seat flips down to create a 200lb capacity storage. Available in tan or black.

YAMAHA *lights the way*

We won't stop until we've come to the best solution for our customers, and that usually means the old industry standard isn't quite good enough. That's why we decided we could do better than halogen. Our golf cars come standard with LED headlights, turn signals, and an optional LED front logo for a brighter ride. Our lights are more powerful with less drain on your batteries, and deliver a 2-3 times wider field of vision than our competitors, so you can enjoy the ride worry-free, even after the sun goes down.

QUIET, SMOOTH RIDE

A gas car that is
ALMOST AS QUIET
as an **ELECTRIC**

Our Personal Transportation Vehicles take the effort out of errands. The YDR² handles like a dream and makes even short trips fun! We developed our new QuieTech EFI technology to create a quieter, more fuel-efficient ride, so you can spend less money on fuel and more on doing the things you love.

The new QuieTech EFI boasts the lowest decibel output of any gas car and features the industry's first-ever Independent Rear Suspension in a personal transportation vehicle. These innovations will give you plenty of quiet time, and quality time, when you're on the go.

261 MILES

AVERAGE RANGE BETWEEN FILL-UPS

45 MPG*

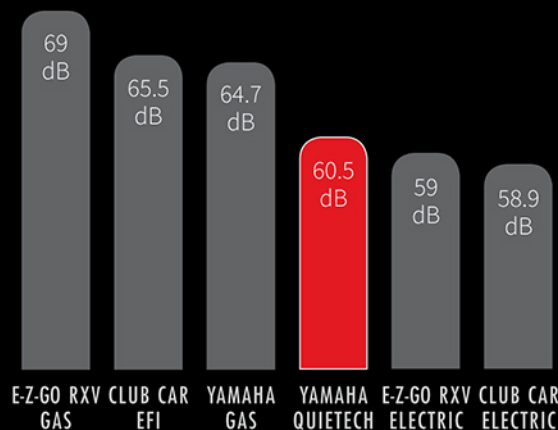

UP TO 23%

BETTER FUEL ECONOMY THAN OUR COMPETITORS

QUIETECH EFI. EVERYTHING ELSE IS JUST NOISE.

NOISE LEVEL⁽¹⁾

⁽¹⁾Decibel reading from 25 feet at constant speed on a paved cart path for 2016 fleet models.

It's ALL ABOUT the JOURNEY

Whether you want a Personal Transportation Vehicle for riding around the neighborhood with friends and family, or for beating your neighbor up the hill, the silky smooth acceleration of the all-new PowerTech AC PTV will allow you to enjoy the journey as much as the destination.

Toyota Industries-built motor control unit.

Independent Laboratory Testing (BCIS-06) 8 Volt Batteries

Yamaha only uses industry-best Trojan T-875 batteries

* Based on the averaging of two completed separate tests on two batteries for each brand.

OUR ONLY QUESTION FOR YOU IS REFILL OR RECHARGE?

With our quiet gas cars boasting a 261-mile range and our electric cars wielding an industry-leading 6.5 horsepower motor, making a decision between the two simply comes down to preference. Either way, the choice is yours.

QUIETECH EFI

Our QuietTech EFI cars, now equipped with Independent Rear Suspension, are the quietest, most comfortable on the road. And if you're worried about emissions, don't be! Our gas cars feature the lowest fuel emissions around, and with over 60 years of gas motor manufacturing experience under our belts, you can trust the dependability and performance known to Yamaha owners around the world.

- Smallest carbon footprint
- Fewest emissions and up to 76% less pollutants than competitors⁽¹⁾
- Up to 23% better gas mileage than the competition at 45 MPG⁽¹⁾
- Over 261 miles on a single fill-up

OR

POWERTECH AC

PowerTech AC cars prioritize energy efficiency while offering all the power you need – rapid acceleration, smooth uphill climb, and exceptional battery strength and endurance. You can't go wrong with PowerTech AC because our battery power is synonymous with horsepower, and efficiency is our middle name.

- The most horsepower in its class
- Best hill-climbing ability in the industry
- Smoother, faster acceleration
- Energy efficient

⁽¹⁾Independent laboratory testing in a fleet environment by Transportation Research Center, Inc. 2015, on model year 2016 cars.

CUSTOMIZED ACCESSORIES

LED Front Logo

Attention grabbing LED lit logo for increased visibility.

LED Taillights

Optional LED ANSI compliant taillights.

Premium 1 Light Package

Turn signal package (includes LED taillights).

Premium 2 Light Package

Ultra Premium PTV Upgrade Kit adds daytime running lights (DRL), LED turn signals and upgraded Sequential LED brake lights. Includes random key switch.

USB Charging Ports

Two ports to maintain power and stay charged. Built right into the dash.

Enclosure

Fits over the roof and features easily stored zip-off windshield, easy-zip doors, and quick, easy adjustment. Installs in minutes. Includes deluxe carrying case.

Steering Wheel

3-spoke design with black molded polyurethane grip. Silver anodized spokes. 11 1/2" diameter.

Mirrors

4"x6" side mirrors mount to the sun top uprights. Made of durable black automotive ABS. Easy install.

Stereo Console

Console includes speakers and features black roto-molded, foam-insulated, double-wall plastic construction. Mounts underneath vehicle top. Stereo not included.

Bluetooth Media Receiver

Includes Bluetooth connectivity for Android smartphones and USB connections for iPod/iPhone. Two phones connect for hands-free calling and listening services.

Cooler

This blow-molded, easily removable cooler with double wall construction mounts easily on either side of car. Fits six 12 oz. bottles with ice.

Sand Bucket

This high quality Sand Bucket with hinged lid and scoop can be mounted on either side of car alongside the sand bottle.

Golf Club/Ball Washer

Easily installed, this high quality Club and Ball Washer can be mounted on the right or left side of the car alongside the sand bottle.

Club Cover

Our weather-resistant, marine-grade, 600D polyester golf car cover installs quickly, easily, and requires no modification to ClimaGuard™ Suntop.

Carry Bag

Straps conveniently into your golf bag strap. Perfect for carrying groceries, shopping bags, boxes and more.

Parking Pad

Made with a poly film backing to protect your garage floor.

Car Storage Cover

Made of high performance, heavy duty vinyl, with sealed seams and industrial zippers, custom-tailored to fit over the ClimaGuard™ Top.

Classic RFS Kit

Complete, easy-to-install rear-facing seat kit converts easily to light duty cargo area.

Modern RFS Kit

Precision engineered with thick density foam for maximum comfort, powder coated for durability, and completely bolt-on.

Gorilla Mat - Black

Custom fit, no slide, protective mat features integrated channels for water, dirt, and turf. Easy clean.

Chrome Kick Plate

Includes a sleek, modern, easy to care for kickplate to protect your interior.

Polycarbonate Split Windshield (clear or tinted)

Clear Split Windshield

With a contoured bottom designed to hug the front of the vehicle and seal out the elements, this polycarbonate windshield has a flexible hinge that allows the windshield to smoothly fold and lock in place.

Tinted Split Windshield

Millennia MA100 Speaker/Amp Package

This Bluetooth® audio kit has no external buttons or lights, giving your golf car a clean look. Includes two speakers and all wiring.

Bluetooth® with Volume Control

Easy to operate, waterproof device is iPhone and Android compatible and it features three connection options. Connects to MA100 Speaker/Amp Package (sold separately).

82" Suntop for Modern Rear Facing Seat Kit

Roto-molded canopy protects passengers from weather and comes standard with top drain tubes, includes mounting hardware, has heavy duty front and rear uprights, grommets, and seals.

Wheels

Fits all models with 8-inch wheels.

CRAGER HUBCAPS

4 SPOKE ALLOY WHEEL AVAILABLE IN 10" & 12" SIZES
